Re: *The Select Committee's Interview of District Attorney Krasner*

Dear Mr. Rush:

We are disappointed by the Select Committee's refusal to hear from and question District Attorney Larry Krasner at a public hearing, when it had claimed to be interested in hearing from him and had previously taken testimony from other individuals at public hearings.

Nonetheless, in light of the Special Committee's position, District Attorney Krasner is willing to appear before the Select Committee in an Executive Session (that is, at a hearing in which the public is excluded), so long as we will be permitted to have a court reporter and videographer record the hearing, and we can use the transcript and video. The Select Committee would also be permitted to record the hearing and use the transcript and video; we will even provide the Select Committee, at no cost, with a copy of the transcript and video of the hearing. The recordation of this hearing is necessary to ensure that everyone in attendance has an accurate record of the interview.

Please understand that we are not dictating terms of a hearing, as the Select Committee tried to spin in the press yesterday. Rather, we are agreeing to your request for an Executive Session interview of District Attorney Krasner, with our only request that there be a record of that interview available to District Attorney Krasner as well as the Select Committee.

Please confirm this is acceptable to the Select Committee so we can move forward with the requested interview.

Mr. Mark Rush
